### Letter of Request for Religious Exemption from Immunization

September, 2021

This letter is to explain to whomever it may concern that vaccination/immunization is a gross violation of our religious beliefs and church doctrine.

#1 We are **commanded** as christians to live our lives according to wisdom and our God given choice to exercise it apart from any outside coercion. The risks and growing numbers of individuals suffering harm and death as a result of the Vaccines can not be ignored.

- **Proverbs 23:19** Hear thou, my son, and be **wise**, and **guide thine heart** in the way.
- **Ephesians 5:15** See then that ye walk **circumspectly**, not as fools, but as **wise**,

#2 We are told by the LORD Jesus Christ that we don't need to see a physician if we are not ill. This means we are not to subject our bodies to medical treatments if we are healthy.

- **Luke 5:31** And Jesus answering said unto them, **They that are whole need not a physician; but they that are sick.**

#3 We are **commanded not to place unclean things into** our bodies because healing can not commence. Vaccines and immunizations have toxic chemicals, aborted fetal cells, blood, dead animal cells, viruses, and heavy metals in them. It is a molestation of our religious beliefs to be forced to partake in this medical procedure.

- **Job 14:4** Who can bring a clean thing out of an **unclean? not one.**
- **Haggai 2:13** Then said Haggai, If *one that is unclean* by a dead body touch any of these, **shall it be unclean?** And the priests answered and said, It shall be unclean.
- **Jeremiah 1:5** Before I formed thee in the belly I knew thee; and before thou camest **forth out of the womb** I sanctified thee, *and* I ordained thee a prophet unto the nations.
- **Leviticus 10:10** And that ye may put difference between holy and unholy, and between unclean and clean;

The below individual supports and holds these beliefs to be true and this letter serves as such justification.
